

## Third Day - I Believe

Tom: A

Give me something that I... can believe and then I'll  
Share it with the world for everyone to see

Take away the darkness,... all the pain and sadness

I know it's you that put this light inside of me

I believe in a faith that's strong  
I believe in a hope that carries on

I believe in these things and more  
Most of all, most of all  
I believe in love

If I had the strength to move a mountain  
Would you be amazed by all of my abilities  
I guess it would not mean much if I didn't have love  
And this is what I really want you all to see
