

Third Day - Keep On Shinin Verse

Tom: **C**

Back again! OK...figured out the verse and the chorus...the verse is just chords (at that's all I got) but the chorus is SO cool and SO easy! YES!!! :P ready? here's the verse:

Am **Dm** **G** **C** **G**

play those chords in that progression. it sounds right to me.....

k, now the chorus!

well, I thought it was awesome! :P
