

# Third Day - Mountain Of God

Tom: G

## Verse 1

Thought that I was all alone  
Broken and afraid  
But You were there with me  
Yes, You were there with me

And I didn't even know  
That I had lost my way  
But You were there with me  
Yes, You were there with me

## Pre-chorus

Til You opened up my eyes  
I never knew  
That I couldn't ever make it  
Without You

## Chorus

Even though the journey's long  
And I know the road is hard  
Well, the One who's gone before me  
He will help me carry on  
After all that I've been through  
Now I realize the truth  
That I must go through the valley  
To stand upon the mountain of God

## Verse 2

As I travel on the road  
That You have lead me down  
You are here with me

Yes, You were here with me  
I have need for nothing more  
Oh, now that I have found  
That You are here with me  
Yes, You are here with me

I confess from time to time  
I lose my way  
But You are always there  
To bring me back again

## Chorus

Even though the journey's long And I know the road is hard  
Well the one who's gone before me He will help me carry on  
And after all that I've been through Now I realize the truth  
That I must go through the valley. To stand upon the mountain of God

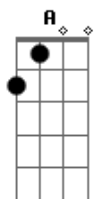

## Bridge:

Sometimes I think of where it is I've come from, and the things I've left behind  
Well of all I've had, what I possess. Nothing can quite compare  
To what's in front of me. To what's in front of me

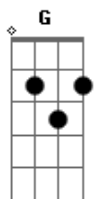

## (Final Chorus) (key change)

Even though the journey's long, and I know the road is hard  
Well the one who's gone before me, You will help me carry on  
And after all that I've been through, Now I realize the truth  
That I must go through the valley, to stand upon the mountain  
That I must go through the valley, To stand upon the mountain  
That I must go through the valley, To stand upon the mountain...  
Thought that I was all alone, broken and afraid  
But you are here with me. Yes, you are here with me
