## **Third Day - Still Listening**

Tom: B Intro: **B B B** (3x) R B B There was time when I thought that I had You B B Figured out В B В I told You before and I'll say once more B B Now and then I have my doubts B B B E I'll never pretend to know what You are doing GbEBBBIt's true that You move in mysterious ways [CHORUS]

E I looked for You in Abm The fire and the wind Gb F But You weren't there as far as I could see

B B B

E I thought I'd hear You shout Abm But then I figured it out Gb E B That all along You're whispering to me B B B And I'm still listening ввв R Just when I thought that I had caught a glimpse of BB who You are B B В You taught me a lesson I needed to learn B B B Right from the very start В ΒB E I never will be the man that I quite need to be E Gb BBB But that's alright 'cause You're enough for me And...Chorus
