[Primeira Parte]

Gbm  
G train on the weekend, speed up or slow down  
Gbm  
Gathering gathering, get off this train

Or you're gonna go back uptown  
Gbm  
G train on the weekend, there's no way out  
Gbm  
Traveling traveling, it's 2am and

I thought I'd be home by now

[Pré-Refrão]

What am I doing this for?  
I followed you to your door  
I should've already known  
To keep going on home

[Refrão]

Love, I gotta warn you  
I'm starting to get drawn to  
What you make me go through  
(get going or I'm gone)  
I've been losing patience  
Your mind is always changing  
Back and forth, I'm waiting  
(get going or I'm gone forever)
