

Thirstory - Searching For a Feeling

Tom: **G**
Intro: **D**

[Primeira Parte]

Bm7
You shouldn't love me
Don't waste your time **A**
G
I'm way too fucked up to feel
Bm7
Go find somebody
Who's just as kind **A**
G
I'm mean and shallow, you see

[Pré-Refrão]

G **D** **A** **Bm**
What I heard 'round here confirmed my fear
G **D**
You see yourself in my arms
G **D** **A** **Bm**
Girl you won't get far, with my cold cold heart
G **D**
Can't give you something I can't find

[Refrão]

A **Bm**
I've been searching for a feeling
G
Haven't found it yet
D
Hope I don't regret it
A **Bm**
I've been searching for a feeling
G **D**
I've got every reason to feel
A
Tell me you want me
Bm
Tell me you need me to love you
G **D**
I've been searching everywhere
A
Tell me you want me
Bm
Tell me you need me to love you
G **D**
I've been searching everywhere

[Segunda Parte]

Bm7
You shouldn't be there
When I fall down **A**
G
I can't say I'll do the same
Bm7
You shouldn't tell me
A
I make you proud
G
I don't deserve any praise

[Pré-Refrão]

G **D** **A** **Bm**
I hang you dry, can't tell you why
G **D**
I don't see myself in your arms
G **D** **A** **Bm**
Girl you won't get far, with my cold cold heart
G **D**
Can't give you something I can't find

[Refrão]

A **Bm**
I've been searching for a feeling
G
Haven't found it yet
D
Hope I don't regret it
A **Bm**
I've been searching for a feeling
G **D**
I've got every reason to feel
A **Bm**
I've been searching for a feeling
G
Haven't found it yet
D
Hope I don't regret it, no
A **Bm**
I've been searching for a feeling
G **D**
I've got every reason to feel
A
Oh, Tell me you want me
Bm
Tell me you need me to love you
G **D**
I've been searching everywhere
A
Tell me you want me
Bm
Tell me you need me to love you
G **D**
I've been searching everywhere

[Ponte]

Em **D**
I've been searching (I've been searching)
A
I've been searching everywhere
Em **D**
I've been searching (I've been searching)
A
I've been searching
D **G** **A** **Bm**
Oh I'll beg and plead that soon you'll leave
D **G**
You'll be just as fucked up as me

[Refrão]
