Tom: **A**
Intro: **E B Gb Abm**

E B Gb Abm
Hey prima donna, don't you wanna

E B Gb Abm
Come a little closer, stay a little longer?

E B
'Cause I hear your voice cut through the noise

Gb Abm
And I wanna hear the words you say

E B Gb Abm
Hey prima donna, don't you wanna talk to me?

E B Gb Abm
She comes, and she goes, she's everywhere I wanna be

E B Gb Abm
When she's high, when she's low, she's everything, everything

E B Gb Abm
I follow her like satellites around, around she goes

E Abm B Gb
She's everywhere, she's everything

E B Gb Abm
Hey Aphrodite, don't you see me

E B Gb Abm
Standing in your sunrise, soaking up your daylight?

E B Gb Abm
'Cause I know your smile will last for a while

Gb Abm
But I need you more and more each day

E Gb
'Cause I hear your voice cut through the noise

E B Gb Abm
She comes, and she goes, she's everywhere I wanna be

E B Gb Abm
When she's high, when she's low, she's everything, everything

E B Gb Abm
I follow her like satellites around, around she goes

E Abm B Gb
She's everywhere, she's everything

(**G D A Bm**)

E B Gb Abm
When she's high, when she's low, she's everything, everything

Spinnin' like a perfect dime and throw it in the light

Down on me
