

This Wild Life - Over It

Tom: C

[Verse]

Am F
I've been dealing with pain
With nothing to my name Am
It's been eleven hundred days F
Since we've gone our separate ways Am
Am I the one to blame? F
And do you feel the same? Am
Does it have to be this way? F

[Chorus]

C
I've gotta get over it over it over it
F
And over you
C
I'm starting to feel
Starting to heal
F
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
F
So we ran away
C
I've gotta get over it over it over it
F
And over you

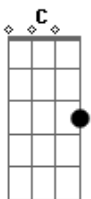

[Verse]

Am F
Forget everything I said
And I will do my best Am
To get your voice out of my head F
You're just a shoebox under my bed Am
The string that's binding my heart F
Is slowly raveling apart Am
You took me for granted F
I caught you red handed
C
I'm over it over it over it
F

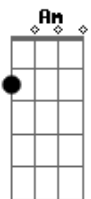

And over you
C
I'm starting to feel
Starting to heal
F
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
F
So we ran away
C
I've gotta get over it over it over it
F G
And over you
C G
I know I dragged us both through Hell
But I wish you'd forgive yourself Am F
I think I learned a lesson too G
That I'm at my worst when I'm with you Am F
That I'm at my worst when I'm with you F
[Chorus]

C
I've gotta get over it over it over it
F
And over you
C
I'm starting to feel
Starting to heal
F
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
F
So we ran away
C
I've gotta get over it over it over it
F
And over you
Dm
I'm starting to feel
Em
Starting to heal
F
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
G
So we ran away
C
I've gotta get over it over it over it
F
And over you
