

# Three Days Grace - Gone forever

Intro: **G** tom:

**Gb4** Don't know what's going on  
**E** Don't know what went wrong  
**A** Feels like a hundred years  
**D** I still can't believe you're gone **Ab4**

**Gb4** So, I'll stay up all night  
**E** With these bloodshot eyes  
**A** While these walls surround me **D**  
**E** With the story of our life **Gb4 Ab4**

**Gb** **G** I feel so much better  
**E** **A** Now, that you're gone forever  
**Gb** **G** I tell myself that I don't  
**E** **A** Miss you at all

**B** **A** I'm not lying, denying  
**E** **B** **A** That I feel so much better now  
**Gb G A B** That you're gone for\_e\_\_ver

**Gb4** Now things are coming clear  
**E** And I don't need you here  
**A** And in this world around me  
**D** **Ab4** I'm glad you disappeared

**Gb4** So I'll stay out all night  
**E** Get drunk and fuck and fight  
**A** Until the morning comes

**D** **E** **Gb4 Ab4**  
 I'll forget about our life

**Gb** **G** I feel so much better  
**E** **A** Now, that you're gone forever  
**Gb** **G** I tell myself that I don't  
**E** **A** Miss you at all

**B** **A** I'm not lying, denying  
**E** **B** **A** That I feel so much better now  
**Gb G A B** That you're gone for\_e\_\_ver

**Gb4** First time you screamed at me  
**Gb4** I should have made you leave  
**Gb4** I should have known  
**Gb4** It could be so much better

**Gb4** I hope you're missing me  
**Gb4** **G** I hope I've made you see  
**Gb G A B** That I'm gone for\_e\_\_ver

**Gb4** And now things are coming clear  
**E** That I don't need you here  
**A** And in this world around me  
**D** **Ab4** I'm glad you disappeared

**Gb** **G** I feel so much better  
**E** **A** Now, that you're gone forever  
**Gb** **G** I tell myself that I don't  
**E** **A** Miss you at all

**B** **A** I'm not lying, denying  
**E** **B** **A** That I feel so much better now  
**Gb G A B** That you're gone for\_e\_\_ver

**G** **Gb G A** And now you're gone for\_e\_\_ver  
**G** **Gb G A** And now you're gone for\_e\_\_ver
