

Three Legged Fox - My Satellite

tom:

Intro: D D G D
D D G

D So now we're right back where we started G
D You don't know me anymore G
D It'll be two years come December G
D Hope you found what you lost me for

D Now the big, big leaves are falling G
D From that old tree out in the yard G
D I mean the one I carved your name in G
D But that was back when it was ours

Bm Now I watch you revolve around me G
Bm Like a distant flashing light G
Bm Gone around the world come back again and find me G
Bm Three hundred sixty, my satellite G
D My satellite G
D My Satellite G

D I've heard you live down by the water G
D And that you found another man G
D And he don't sing the same as I do G
D But he can't hurt you like I can

Bm Now you're drifting slowly from me G

Bm Far away almost out of sight G
Bm Gone around the world come back again and find me G
Bm Three-hundred-sixty, my satellite G
Bm Three-hundred-sixty, my satellite, my satellite D G

[Solo]

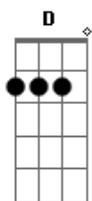

D So now we're right back where we started G
D You don't know me anymore G

Bm Now and then you'll pass before me G
Bm Like a star but much too bright G
Bm Gone behind the world come back around and blind me G
Bm Three hundred sixty, my satellite G
Bm Three hundred sixty, my satellite G
Bm Three hundred sixty, my satellite G

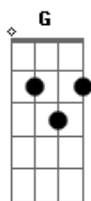

D G
My satellite G
