

Thrice - Stay With Me

Tom: **G**

Intro: **C Dm F**
C Em

C
You were a silhouette shimmering shadow in the
Em
mirror with ash and snow

C
I took your fevered hands felt like embers of the world's
Em
dying glow

C
And you were featherlike as I carried you quietly through the
Em
crumbling streets

C
And in the fading light I could see in your eyes that somehow
Em
we were meant to meet

(**F Am C Dm**)
(**F Am G F**)

F
Would you stay with me
Am
If you thought the war was over

Dm
And everything made right?

F
Would you still believe in us?

Am
And would your love for me grow colder

F
With no one left to fight?

(**C Dm F**)

C Dm F
Would you stay with me?

C Dm F
Would you stay with me?

(**C Em**)

C
After the fever left together we scavenged through the
Em
city and her scars

C
And when the day would end by the door against the
Em
demons and the dark

C
We'd share a can of something a bottle of bourbon I'd hid
Em
away

C
It warmed me from within and you from without

Em
Till I forget the chilling grief

(**F Am C Dm**)
(**F Am G F**)

F
Would you stay with me

Am

Now I'm terrified
