Em

E Gbm A
Sky blue eyes
E Gbm A
I see a world behind them
E Gbm A
No more time
E Gbm A
Sinking into the silence

[Pré-Refrão]

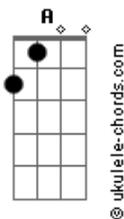

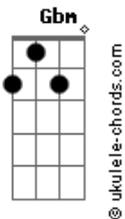

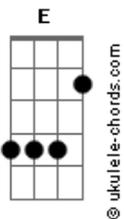

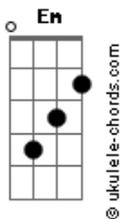

E Gbm A
Reaching out for something
E Gbm A
You may never find
E Gbm A
Looking for a reason
E Gbm A
Not to lose your mind

[Refrão]

E Gbm A
Feel like you're caught in a world you don't belong to
E Gbm A
Praying that you'll make it home
E Gbm A
I know you're scared that the place you love is gone
E Gbm A
Don't fear what you do not know

E Gbm A
Neon signs

Acordes

E Gbm A
Flicker away forever
E Gbm A
Cross state lines
E Gbm A
We could be lost together

[Pré-Refrão]

E Gbm A
Reaching out for something

You may never find
E Gbm A
Looking for a reason
E Gbm A
Not to lose your mind
