Tom: C

**F7M**  
Tuck you in to sleep, cuddling your feet  
Give you what you need

**C**  
Just so you know

**F7M**  
Ready now to start  
Kissing every part of you

**C**  
Just so you know

**F7M C**  
I'm giving something true  
**F7M C F7M**  
Giving something true, hold on

**F7M**  
You taught me how to see  
The very best in me  
Who I aim to be

**C**  
Just so you know

**F7M**

So perfect as you are  
I'll never be too far  
From you

**C**  
Just so you know

**F7M C**  
I'm giving something true

**F7M C**  
I'm giving something true

**F7M**  
I'm giving something

**F7M**  
Familiar like the back of my hand

**C**  
You got it all good

**F7M**  
I know you, like the back of my hand

**C**  
I'm all over you (2X)

**F7M C**  
Giving something true

**F7M C**  
Giving something true
