(capo 6ª casa)

**C**

Standing outside, looking out for me

I know I've done nothing wrong

There's plenty of time for us to see

Start cleaning up the mess we've done

We keep on living our lives with stupidity

As if we've got something to lose

So much selfish tranquility

Just for the sake of trying nothing new

**C**

And I

Think I

Should be the one to make a stand, because

Everybody is scared (4x)

Everybody is scared sometimes

Everybody is scared sometimes

**C**

Time goes by and it seems to me

It's easy just to come and go

**G**

Well, turns out nothing comes for free

Our children live the seeds we sow

Pretend now

The fire burned out, now it's you and me

Still we've got nothing to lose

So much selfish tranquility

Just for the sake of trying nothing new

(refrão)

Every time I close my eyes

This pain is killing me

And I try to take it down

Put my feet back on the ground

Just to know you're still with me

Just remember girl

Although it's easier to say goodbye

Feels like a bullet in my heart

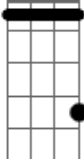

To know we're throwing away the good times, because

Everybody is scared sometimes (2x)

Sometimes (3x)
