

# Tiago Nacarato - Oceano

tom:

Assim que o dia amanheceu  
 Lá no mar alto da paixão  
 Dava pra ver o tempo ruir  
 Cadê você, que solidão  
 Esquecerá de mim

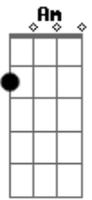

Enfim, de tudo que há na terra  
 Não há nada em lugar nenhum  
 Que vá crescer sem você chegar  
 Longe de ti tudo parou  
 Ninguém sabe o que eu sofri

[Refrão]

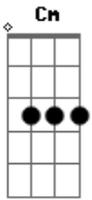

Amar é um deserto e seus temores  
 Vida que vai na sela dessas dores  
 Não sabe voltar, me dá teu calor  
 Ven me fazer feliz porque eu te amo

Você deságua em mim e eu oceano  
 Me esqueço que amar é quase uma dor  
 Só sei vi\_\_ver se for por vo\_\_cê
