

# Tiago Nacarato - Onde Anda Você

tom:

Intro: D7 G7 C Em  
Dm G C C

[Primeira Parte]

E por falar em saudade  
Onde anda você  
Onde andam os seus olhos  
Que a gente não vê  
Onde anda esse corpo  
Que me deixou morto  
De tanto prazer  
E por falar em beleza  
Onde anda a canção  
Que se ouvia na noite  
Dos bares de então

Onde a gente ficava  
Onde a gente se amava  
Em total solidão

[Refrão]

Hoje eu saio na noite vazia  
Numa boemia sem razão de ser  
Na rotina dos bares  
Que apesar dos pesares  
Me trazem você  
E por falar em paixão  
Em razão de viver  
Você bem que podia me aparecer  
Nesses mesmos lugares  
Na noite, nos bares  
Onde anda você
