

# Tiê - Stranger, But Mine

Tom: A

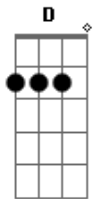

Well stranger,  
I know nothing.  
I better take a time at this time.  
I know you said, but I'm sorry.  
I want to work it out.  
  
All my friends are also your friends.  
And that makes you less a stranger.  
And your name,  
I've hearded it somewhere,  
but I still want to work it out.  
With all do respect, your kisses make me mad.  
But don't worry,

I'll keep my eyes on you.  
Why is this so weird,  
I feel I've known you for years.  
You can sleep,  
I'll just keep my eyes on you.  
I'm already glad that I met you.  
I like to see life from your eyes.  
Doesn't matter what awaits us.  
I will deal with that surprise.  
Even though I know you have a lot in your mind,  
the future,  
the pass  
and the planes you might fly.  
I just want to tell you, that this love is true.  
You're a stranger, but you're mine.
