

# Tim Atlas - Courtside

tom:

C

Intro: Dm F G Am

[Primeira Parte]

Dm

You walk into a room

Like you're burning down the west coast

And I can't find

What's left of my mind

You danced, you drank cheap wine

And spilled it on your red coat

But you laughed it off

You don't even blush

[Refrão]

Wanna wake up by you

With a courtside view

You're out of my league

But you're in my room

(Don't let me let go)

(Don't let me let go)

Wanna wake up by you

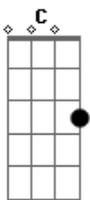

With a courtside view

You're out of my league

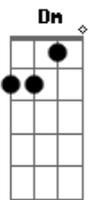

But you're in my room

(Don't let me let go)
