

Tim Bernardes - Prudência

tom:
Dbm

Me pego pensando na vida

Suspirando em silêncio

Tentando manter o controle, a prudência

Que dizem levar a uma vida de paz

(C7)

Mas que paz posso eu encontrar nessa tranquilidade

Sem um sentimento, aventura ou vontade

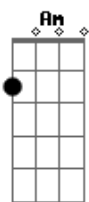

Se eu sinto saudade de sentir prazer

Me pego evitando os amores

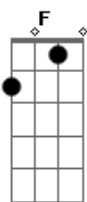

Que desejo em segredo

Da intensidade da dor tenho medo

Quem já se feriu presta mais atenção

Mas longe de qualquer perigo eu me afundo num tédio

Que vida vazia sem nenhum mistério

Na dura apatia de um controlador

(E Gbm E E7)

Prudência, não me venha falar em prudência

As paixões que me descontrolaram

São as que fizeram eu ser como sou

Prudência, não me venha falar em prudência

As paixões que me descontrolaram

São as que fizeram eu ser como sou
