Tom: **G**

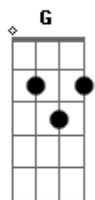

**G**  
Yes, I loved  
More than I supposed to love  
Then I finally realized  
that she didnt love me  
Then I cried  
Knowing that our love have died  
Will I ever love again?  
Our hurt eternally?  
It was the end

When my life was sad and blue  
than I found  
My world in you.  
Now I wonder  
no longer on the chance  
you're the reason  
I'm living true romance  
Oh Love  
Oooh love  
I'm so glad  
than I found You
