

# Tim Moore - Yes

Tom: A

Intr: E Abm A B (2 vezes)

Ooh yes, yes, nothing never felt to me like you do right now

Ooh yes, yes, that's the only word I want to hear from your mouth

Oh, let's not waste our time hiding what we feel inside

If you come, you start just whisper yes, darling, yes darling, yes

Yes, yes, don't you feel breathless when I'm holding you near

Ooh yes, yes, we could light a fire and keep it burning for years

Yes, that misty look inside your eyes that I won't doom another lies

Feel your skin on mine, it's crying yes darling, yes darling, yes

Wow, many questions gonna drive me insane,

Time goes by and I'm losing ground

Do you want to see a love one in chains

I'm sinking baby, I'm gonna drown, I'm going down

Ooh yes, yes, can't you feel the passion when I look in your eyes?

Ahh yes, yes, this is how I want it for the rest of my life

Oh giving fire to your flame, everytime you speak my name

'Cause your eyes are saying to me yes, darling yes, darling yes
