Na ilha grande O amor reina  
 Barra do Gil Passei de prancha E você não viu

Ponta de Areia Namorei lá  
 E tudo ficou Por conta do acaso

Em Amoreira você me apaixonou

Olhei de Salvador Te vi sair do mar

Você em bruta cor Bailando na janela  
 Olha ela lá, lá, lá, Olha ela lá, lá, lá

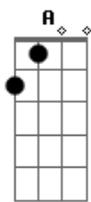

Olha ela lá, lá, lá, Olha ela lá, lá, lá

Timbaleira Vamos pra lareira

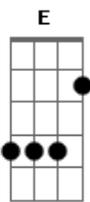

Timbaleira Vamos pra lareira

Timbaleira Vamos pra lareira
