**Em**  
A cup of coffee still steaming  
**C**  
Staring back at me, it's blacker than the night  
**G**  
I'm awake but still sleeping  
**D**

I keep telling myself I'll be alright (I won't) **Em**  
And I know it can't get worse than today  
**C**  
Sitting here and she's trying to rehearse what to say  
**G**  
See, she's in the bathroom hoping I'm not in earshot **Em**  
**D**  
While she's getting used to the sound of a teardrop (Splash)  
It hits the tile  
And I know it's been a while since you seen me **C**  
Smile and laugh like I used to **G**  
I've been in denial since it happened  
**D**  
Just take me to the past  
'Cause I just can't imagine losing you (too) **Em**  
**C**  
I can't explain this so I'll keep it all inside  
Wear my pain, but it's masked by my pride  
**G**  
She came to hold me and she cried  
**D**  
Told me this as she stared into my eyes, said  
**Em**  
I see your monsters  
**C**  
I see your pain  
**G**  
Tell me your problems  
**D**  
I'll chase them away  
**Em**  
I'll be your lighthouse  
**C**  
I'll make it okay  
**G**  
When I see your monsters  
**D**  
I'll stand there so brave  
And chase them all away
