                                                                Sleep well my baby
                                                                                                I'll be back one day
Another hit, another score
                                                                [Ponte]
                      Gb7
No emotions will I show My blood is frozen to the bone
                                                                Tell me are you afraid That I wont come back to you again
Feeling dead inside my soul
                             So many things I'll never know
                                           D
                                                                                         Am G C D
                                                                              D
Stalking behind you are the prey Waiting to stumble down my
                                                                Asking if I'll stay
                                                                                      If could I would babe
