

Tina Turner - Whats Love Got To Do With It

Tom: G

You must understand though the touch of your hand
Makes my pulse react
That it's only the thrill of boy meeting girl
Opposites attract
It's phys-ical, only log-ical
You must try to ignore that it means more than that

What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken

It may seem to you that I'm acting confused
When you're close to me
If a tend to look dazed I've read it someplace
I've got cause to be
There's a name for it
There's a phrase that fits
But whatever the reason you do it for me

What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken

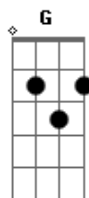

(Db Ab Gb Ab)
(Db Ab Gb)

I've been taking on a new direction
But I have to say
I've been thinking about my own protection
It scares me to feel this way

What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken

What's love got to do, got to do with it
What's love but a second hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken
