

Tingo Santi - Oceano de Amor

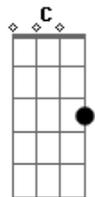

tom: F

O sol ardendo em meu peito
 O cheiro da brisa e do mar
 Pegadas de amor na areia
 Ondas que pulsam o coração
 Nesta praia, sem você
 É sem graça o entardecer
 É um deserto, de vontade de te ver

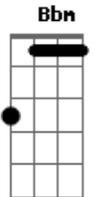

Então peço aos Deuses do mar
 Que te tragam de volta pra mim
 Pra que eu possa me encontrar de novo
 Oceano de amor sem fim

Então vem pra eu devolver
 Uma parte de você
 Ainda me quer aqui
 Então vem, Então vem
 Então vem me fazer sorrir
