tom:

Terra mãe de todos nós
 Terra fértil e colorida
 Terra de chão sem fim
 Terra que abraça a morte
 Terra que gera a vida
 Terra, tens piedade de mim

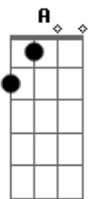

Terra que mata sede
 Terra que mata fome
 Terra que nos abriga
 Terra mãe natureza
 Terra santo bioma
 Terra, tens piedade de mim

Ama, ama quem tá presente
 Ama, ama seus descendentes
 Ama, Amazônia
 Ama, ama tua linda história
 Ama, ama teu futuro e glória
 Ama, Amazônia

Ama, ama tua fauna
 Ama, ama tua flora
 Ama, Amazônia

Ainda é tempo de viver, com respeito a vida
 Ainda é tempo de aprender, conquistar a cura
 Ainda é tempo de plantar amor
 Ainda é tempo de colher sabedoria

A Terra pede proteção, pra nos proteger
