

Tito & Tarantula - After Dark

Tom: A

This is how the intro and the chords and the solo are really played. I've seen a lot of dumb fuckers try to figure this out but they're all wrong. Here it is.

Intro:

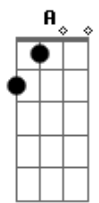

Solo: (played with wah and lots of reverb)

Ending Riff:

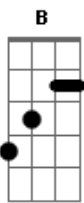

Watching her
A B A B
Strolling in the nights o white
E
Wondering why
Gb B A B A B A B A
It's only After Dark
B A B
In her eyes
A B
A distant fire light burns bright

Wondering why
Gb E B A B A B A B A
It's only After Dark
E D E D
I find myself in her room
E D E D
Feel the fever of my doom
Gb E Gb E
Falling falling through the floor
Gb B A B A
I'm knocking on the Devils door
[Solo]: B A B A B A
Burning burning in the flame
E D E D
Now I know her secret name
E D E D
You can tear her temple down
Gb E Gb E
But she'll be back and rule again
B A B
In my heart
A B A B A
A deep and dark and lonely part
E
Wants her and waits for
B C D E
Gb
