

Toad The Wet Sprocket - All I Want

Tom: G

Nothing's so loud
 As hearing when we lie
 The truth is not kind
 And you've said neither am I
 but the air outside so soft is saying everything
 everything

All I want is to feel this way
 to be this close, to feel the same
 All I want is to feel this way
 the evening speaks, I feel it say....

(Dm F C Am7)

Nothing's so cold
 As closing the heart when all we need
 Is to free the soul
 But we wouldn't be that brave I know
 And the air outside so soft, confessing everything

everything

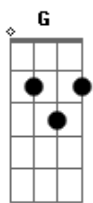

All I want is to feel this way
 to be this close, to feel the same
 All I want is to feel this way
 the evening speaks, I feel it say....

And it won't matter now
 Whatever happens will be
 Though the air it(?) speaks of all we'll never be
 It won't trouble me

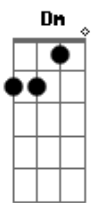

[Solo]

All I want is to feel this way
 To be this close, to feel the same
 All I want is to feel this way
 The evening speaks, I feel it say...
 And it feels so close
 Let it take me in
 Let it hold me so
 I can feel it say
