

# Toad The Wet Sprocket - All I Want

Tom: G

Nothing's so loud  
 As hearing when we lie  
 The truth is not kind  
 And you've said neither am I  
 but the air outside so soft is saying everything  
 everything

All I want is to feel this way  
 to be this close, to feel the same  
 All I want is to feel this way  
 the evening speaks, I feel it say....  
 ( Dm F C Am7 )

Nothing's so cold  
 As closing the heart when all we need  
 Is to free the soul  
 But we wouldn't be that brave I know  
 And the air outside so soft, confessing everything

everything

All I want is to feel this way  
 to be this close, to feel the same  
 All I want is to feel this way  
 the evening speaks, I feel it say....  
 And it won't matter now  
 Whatever happens will be  
 Though the air it(?) speaks of all we'll never be  
 It won't trouble me  
 [Solo]  
 All I want is to feel this way  
 To be this close, to feel the same  
 All I want is to feel this way  
 The evening speaks, I feel it say...  
 And it feels so close  
 Let it take me in  
 Let it hold me so  
 I can feel it say
