

## Toad The Wet Sprocket - All I Want

```
Tom: G
                      Dm
Nothing's so loud
As hearing when we lie
           Dm
The truth is not kind
And you've said neither am I
      Dm
everything
All I want is to feel this way
to be this close, to feel the same
C Am
All I want is to feel this way
the evening speaks, I feel it say....
(Dm F C Am)
Nothing's so cold
As closing the heart when all we need
Is to free the soul
But we wouldn't be that brave I know
And the air outside so soft, confessing everything
```

```
everything
All I want is to feel this way
to be this close, to feel the same
All I want is to feel this way
                    E7
the evening speaks, I feel it say....
G Am G
And it won't matter now
Whatever happens will be
Though the air it(?) speaks of all we'll never be
                      Dm F C Am Dm Am Bb
It won't trouble me
[Solo] Dm F C Am Dm Am Bb
All I want is to feel this way
To be this close, to feel the same
               Am
All I want is to feel this way
The evening speaks, I feel it say...
And it feels so close
Let it take me in
Let it hold me so
I can feel it say
```
