

# TobyMac - See The Light

tom:  
Capotraste na 2ª casa  
Intro: G Bm Em D C

G  
I know this road is getting hard  
Bm  
I heard you say it's overwhelming  
Em D  
I said I'd never be too fal  
C  
And I meant that from the heart  
  
G  
I see the mountain getting high  
Bm  
I see it stacking up against you  
Em D  
I always said you were a fighter  
C  
But you've got your doubts tonight

Well I'm here to remind you

G  
It don't matter where you come from  
Bm  
I know we can get through this  
Em D  
It might feel like it's been so long  
C  
But we keep on keeping on

G  
It might feel like an uphill climb  
Bm  
Always some kind of battle  
Em D

But you've got more than you on your side  
C  
And we gon? see the light

G  
We gon? see the light  
Bm  
We gon? see the light  
Em D  
You and me, you and me  
C  
We gon? see the light

G  
Some things will never be the same  
Bm  
Some things are only for a season  
Em D  
And just the thought of letting go  
C  
Well, it's brought you to your knees

G  
Oh, but if you can make it  
Bm  
You can make it through the night  
Em D  
I can promise that the sun is gonna rise  
C  
You wake up just a little bit stronger  
  
So, hold on just a little bit longer

G  
So, go on and lift your hands up  
Bm  
To where your help is coming from  
Em D C  
And let your burdens, let 'em fade away
