

Tokio Hotel - By Your Side

tom: D (D D)
 No one knows how you feel
 No one there you'd like to see

Bm G D D
 The day was dark and full of pain

(D D)
 You write help with your own blood
 Cause hope is all you've got

Bm G D D
 You open up your eyes but nothing's changed

A G D D
 I don't want to cause you trouble

Don't wanna stay too long

A G
 I just came here to say to you

[Refrão]

G D D
 I can hold you when you reach for me

(D D)
 You life is meaningless
 Your diary, full of trash

Bm G D D
 It's so hard to get along with empty hands

(D D)
 You're looking for the rainbow
 But it died not long ago

Bm G D D
 It tried to shine just for you until the end

A G D D
 I don't want to cause you trouble

Don't wanna stay too long

A G
 I just came here to say to you

(D D) (Abafado)

I am by your side
 Just for a little while
