

Tom Cardy - All The Stupid Things I've Ever Done

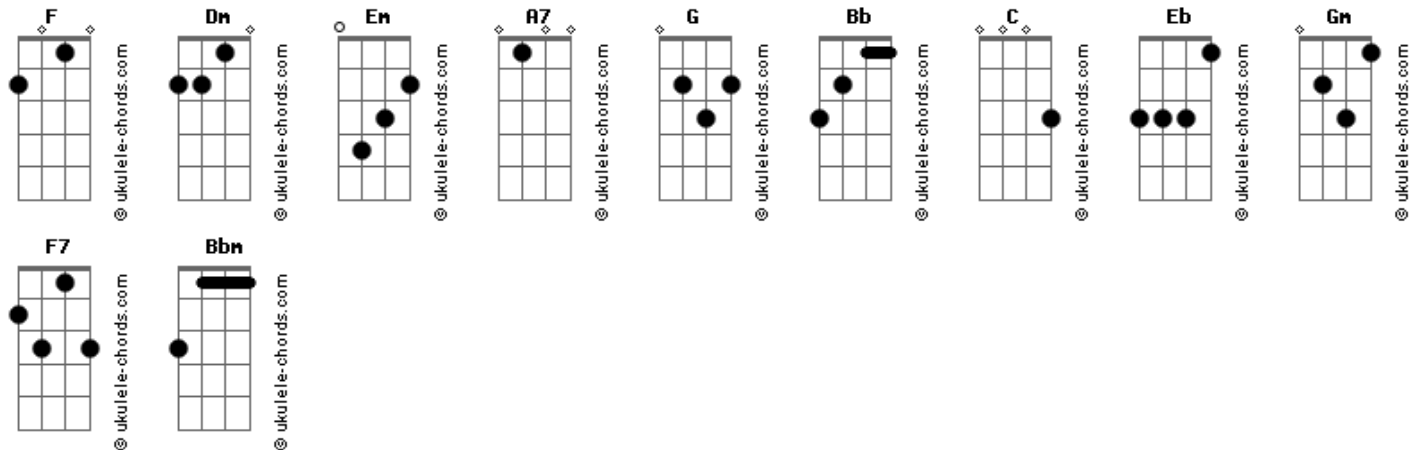

tom:

Dm

It's a quarter to nine **F**
Em **A7**
 And it's past my bedtime
Dm **Dm** **G**
 But I need a little help to fall asleep
Bb **A7**
 With my glass of warm milk
Dm **G**
 I am ready for the guilt
Bb **G**
 When I'm done counting sheep
F **C**
 I close my eyes, and I think of

F **Eb** **Bb**
 All the stupid things I've ever done
Gm **A7**
 Gonna think of every embarrassing thing

Acordes

Dm
 I've ever done
A7
 I'm gonna think of all the stupid things
Dm
 I've ever done
Dm **Bb**
 Even the things I did not do
Gm **C**
 I can play out and go through

F **F**
 How embarrassing it would be
F **F7**
 And feel the shame hypothetically
Bb **Bb**
 And let the guilt rock me to sleep
Bbm **F** **F** **F7**
 As if I'd actually done that stupid thing

- Goodnight every stupid thing I've ever done!
F
 - Goodnight Tom!
