

# Tom Grennan - Found What I've Been Looking For

Tom: **Eb**

m [Intro] **Eb** **Bbm** **B** **Db**  
**Eb** **Bbm** **B** **Db**  
**Eb** **Bbm** **B** **Db** **Eb**  
 Always fine lines between us  
**Bbm** **B** **Eb**  
 They say our days don't mean much  
**B** **Db** **Eb**  
 Cast an anchor in the sand, what we did  
**Bbm** **B** **Db**  
 But my ships have sailed and I'm here to tell that  
**B**  
 I don't mean like the others  
**Db**  
 And I

**Eb** **Bbm** **B** **Eb** **Bbm**  
 I keep searching and I can't seem to find what I'm wanting  
**B** **Eb** **Bbm**  
**B**  
 It's changing all the time and if you notice a different side  
 of mine  
**Eb** **Bbm**  
 Then I've found what I've been looking for  
**B**  
 Found what I've been looking for  
**Eb** **Bbm**  
**B**  
 Found what I've been looking for  
**Eb** **Bbm**  
**B**  
 Found what I've been looking for  
**Eb** **Db** **B** **Db**  
 Should I wait, should I stay to see it  
**Eb** **Bbm** **B** **Db**  
 Arm fold cause I'm told, I need it  
**Eb** **Bbm** **B** **Db**  
 I'm not frightened to take off, step away  
**Eb** **Bbm** **B** **Db**  
 But my ships have sailed and I'm here to tell that  
**B**  
 I don't mean like the others  
**Db**

And I

**Eb** **Bbm** **B** **Eb** **Bbm**  
 I keep searching and I can't seem to find what I'm wanting  
**B** **Eb** **Bbm**  
**B**  
 It's changing all the time and if you notice a different side  
 of mine  
**Eb** **Bbm**  
 Then I've found what I've been looking for  
**B**  
 Found what I've been looking for  
**Eb** **Bbm**  
**B**  
 Found what I've been looking for  
**Eb** **Bbm**  
**B**  
 Found what I've been looking for  
**Abm** **B**  
 I've been running round, running round, running round  
**B** **Db** **Eb**  
 Now I'm done, done now, done now, done now  
**Db**  
 Scared the magic might fade away  
**Eb** **Bbm** **B** **Eb** **Bbm**  
 I keep searching and I can't seem to find what I'm wanting  
**B** **Eb** **Bbm**  
**B**  
 It's changing all the time and if you notice a different side  
 of mine  
**Eb** **Bbm**  
 Then I've found what I've been looking for  
**B**  
 Found what I've been looking for  
**Eb** **Bbm** **B**  
 Found what I've been looking for  
**Eb** **Bbm** **B**  
 Found what I've been looking for  
**B**  
 Found what I've been looking for  
**Eb** **Bbm** **B**  
 Found what I've been looking for  
**Eb** **Bbm** **B**  
 Found what I've been looking for
