Tom Jobim - How Insensitive

Tom: B

(Tom Jobim / Vinicius de Moraes / Norman Gimbel)

```
Bm          Gb              Am
How, insensitive,  I must have seemed
                           E7
When she told me that she loved me
G              C               Dbm
How unmoved and cold I must have seemed
          F#(b9b13) Bm(7M)         Bm
When she told me so sincerely
D7               Ab
Why, she must have asked
           G        Em        Bm
Did I just turn and stare iin icy silence?
D7           Db7             Em
What was I to say    What can you say
        Gb7     Bm
When a love affair is over
```

```
Bm          Gb              Am
Now, she's gone away  And I'm alone
                           E7
With a memory of her last look
G              C               Dbm
Vague, and drawn and sad, I see it still
          F#(b9b13) Bm(7M)         Bm
All her heart break in that last look
D7               Ab
How she must have asked
           G        Em        Bm
Could I just turn and stare in icy silence
D7           Db7             Em
What, was I To do, What can you do
        Gb7     Bm
When a love affair is over
```

```
