

Tom Jobim - Inútil Paisagem

Tom: **Ab**

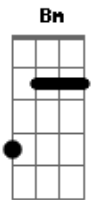

(versão com acordes mais simples em comparação ao original)

Ab7 **G** **Gm/11** **F7**
 Mas pra que
 pra que tanto **Bbm/11** céu
 pra que tanto **Dbm** **Dbm** **Dbm** **Dbm6** mar, pra que
 De que serve **C** esta **Bm** onda **Gm/11** que quebra
 e o vento da tarde? **F7** **Bbm** **Eb7**
 De que serve **Ab** a tarde, **Dbm** inútil **Ab** paisagem **G**
C **G** **Gm/11** **F7**
 Po...de ser

Bbm/11
 que nao venhas mais
Dbm **Dbm** **Dbm** **Dbm6**
 que nao venhas nunca mais
C **Bm** **Gm/11**
 De que servem as flôres que nascem
F7 **Bbm** **Eb7**
 pelos caminhos
Ab **Dbm** **Ab** **G**
 Se o meu caminho sozinho é nada,
Ab
 é nada...
Ab
 é nada...

(Música que dedico à minha querida e mais que amiga, Tamires [Bobuxinha])
