

Tom Jobim - Meditation

Tom: **A**

G **Gdim**
In my loneliness,
G
When you're gone and I'm all by myself,
Bm **E7/-9**
And I need your caress
Am **Cm**
I just think of you,
Bm **E7/-9**
And the thought of you holding me near,
Am **D7**
Makes my loneliness soon disappear
G **Gdim**
Though you're far away,
G
I have only to close my eyes,
Bm **E7/-9**
And you are back to stay
Am **Cm**

I just close my eyes,
Bm **E7/-9**
And the sadness that missing you brings
Am **D7**
Soon is gone and this heart of mine sings
C **Cm**
Yes I love you so,
Bm **E7/-9** **Am** **Gb7**
And that for me is all I need to know
G **Gdim**
I will wait for you,
G
Til the sun falls from out of the sky,
Bm **E7/-9**
For what else can I do
Am **Cm**
I will wait for you
Bm **E7/-9** **Am**
Meditating, how sweet life will be,
Adim **G**
When you come back to me
