

Tom Jobim - Mulher Sempre Brasil

Tom: C

Intro: C7

Mulher ai ai mulher

Sempre mulher der no que der

Você me abraça, me beija, me xinga, me bota mandinga

Depois faz a briga só pra ver quebrar

Mulher seja leal

Você bota muita banca

infelizmente eu não sou jornal

Mulher martírio meu

O nosso amor deu no que deu

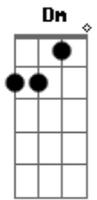

E sendo assim não insista, desista

Vá fazendo a pista

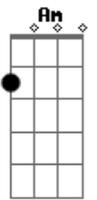

Chore um bocadinho e se esqueça de mim

E se esqueça de mim
