## Tom Jobim - Se todos fossem iguais a você

Tom: C

Vai tua vida, teu caminho é de paz e amor

A tua vida é uma linda canção de amor

Abre os teus braços e canta a última esperança

A esperança divina de amar em paz

Se todos fossem iguais a você

C Bm E7 Am

Que maravilha viver

Uma canção pelo ar, uma mulher a cantar

Uma cidade a cantar, a sorrir, a cantar, a pedir

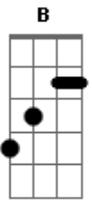

A beleza da amar como o sol, como a flor, como a luz

Amar sem mentir, não sofre

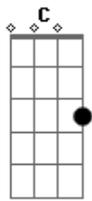

Existiria verdade, verdade que ninguém vê

Se todos fossem no mundo iguais a você
