

Tom Keifer - The Flower Song

Tom: G

E Gbm

Standing on the corner watching all the pretty girls go by.

E Gbm E

And i'm trying to play it so cool as i'm tryin to catch their eyes.

E Gbm E

And i know sometimes my wandering eye has brought some rain ooo baby

E Gbm E7 E

So i'm standing out here on this corner trying to find the words to explain

B2 A E E7 E

A pretty girl's like a flower, you just gotta stay close to

B2 A E E7 E

They come and go like the hour. what's a guy to do?

Gbm A E E7 E

But when it comes to forever, you know my heart is true

Gbm A E

Of all the pretty flowers baby i picked you

E Gbm E

Many blossoms line the streets a thousand colors that i could choose

E Gbm E

And i'm trying to imagine the taste of all the petals i must

refuse

E Gbm E

And i know there's nothing i can say to ease your mind, but i'll try

E Gbm E

The days i spend here on this corner are all just passin time

B2 A E E7 E

A pretty girl's like a flower, you just gotta stay close to

B2 A E E7 E

They come and go like the hour. what's a guy to do?

Gbm A E E7 E

But when it comes to forever, you know my heart is true

Gbm A E

Of all the pretty flowers baby i picked you

E Gbm E

And i know there's nothing i can say to ease your mind, but i'll try.

E Gbm E

The day's i spend here on this corner are all just passin' time.

B2 A E E7 E

A pretty girl's like a flower, you just gotta stay close to

B2 A E E7 E

They come and go like the hour. what's a guy to do?

Gbm A E E7 E

But when it comes to forever, you know my heart is true

Gbm A E

Of all the pretty flowers baby i picked you
