

Tom Leite - Velho Chico

tom:

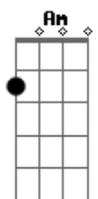

Intro: E7M E7 Bbm7 B

Quando o boiadeiro toca a boiada
O filho da mata se ?alevanta?
A moça bonita espia a estrada
Nesse chão, é o povo que acorda o galo
É no meio da mata que corre o rio
É no peito do povo que corre a fé
É no leito rio que a vida resplandece
E alimenta o nosso sertão

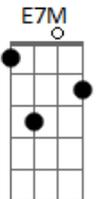

Am Abm7 C#7(#9) Gbm7 B7 E7M E7 A7M
É São Francisco, é homem ?bão?, é homem ?bão?
Am Abm7 G Gbm7 B7 E7M
É São Francisco, cuida do nosso sertão

Quando o fruto do medo se faz presente
O Velho Chico acolhe quem quer viver
Quando, à luz da esperança, a chuva desce
Faz o velho campo florescer
E a colheita bendita logo aparece
Pra quem não conhece a languidez
Quem conta com o apoio dessas águas
Vê a terra brotar outra vez
