

Tom Walker - Fade Away

tom:

Intro: Am Dm Am C Am

[Primeira Parte]

Take a little of my cold heart

Swap the pieces for a spare part

Fade away, away, away, away

You've been running 'round the whole town

In that pretty little ball gown

Fade away, away, away, away

Oh, fade away, away, away, away

[Pré-Refrão]

Well, I, I've heard it all before

And I'm not listening anymore

I'm not listening anymore

No, no, no, no, no

And you, you'll fight another storm

I won't be there to keep you warm

I won't be there to keep you warm

[Refrão]

'Cause you betrayed me

You went ahead and played me

Said you'd try and save me

Well, I won't fight for you no more

No more, no more

'Cause you betrayed me

You went ahead and played me, no, no, no

Well, try and save me

'Cause I won't fight for you no more

[Segunda Parte]

Never tired of this old town

Take a picture, let the background

Fade away, away, away, away

She's my high before my come down

Silver devil with her tongue out

Fade away, away, away, away

Oh, fade away, away, away, away

[Pré-Refrão]

Well, I, I've heard it all before

And I'm not listening anymore

I'm not listening anymore

No, no, no, no, no

And you, you'll fight another storm

I won't be there to keep you warm

I won't be there to keep you warm, no, no

[Refrão]

'Cause you betrayed me

You went ahead and played me

Said you'd try and save me

Well, I won't fight for you no more

No more, no more

'Cause you betrayed me

You went ahead and played me, no, no, no

Well, try and save me

'Cause I won't fight for you no more

[Ponte]

'Cause I, I, I, I

I don't need your love no more

No, I don't need, no, I don't need your love

No, I, I, I, I

I don't need your love no more

No, I don't need, no, I don't need

[Refrão]

'Cause you betrayed me

You went ahead and played me

Said you'd try and save me

Well I won't fight for you no more

No more, no more

'Cause you betrayed me

You went ahead and played me, no, no, no

Well, try and save me

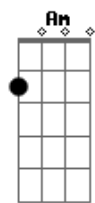

'Cause I won't fight for you no more

Take a little of my cold heart

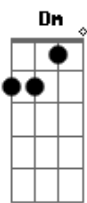

Swap the pieces for a spare part

Fade away, away, away, away
