tom:

G

G

Em

Democracia que me engana

Na gana que tenho dela

Cigana ela se revela, aiê

Democracia que anda nua

Atua quando me ouso

Amua quando repouso

É o demo o demo a demó

É a democracia

É o demo o demo a demó

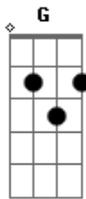

É a democracia

Democracia, me abraça

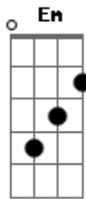

Com tua graça me atira

Desfaz esta covardia, aiê

Democracia não me fere

Mira aqui no meio

Atira no meu receio

Democracia que escorrega

Na regra não se pendura

Na trégua não se segura, aiô

Democracia pois me fere

E atira-me bem no meio

Daquilo que mais eu mais receio

Democracia, não me deixe

Sou peixe que fora d'água

Se queixa, morre de mágoa, aiê

Democracia não se dita

Maldita seja se dura

Palpita pela doçura
