

Tom Zé - Frevo

Tom: **A**

Esta noite não quero saber de conselho
Esqueça

Deixe pra lá

Me arranja um pecado
Quente pra me consolar

Pense bem que depois

Tem o ano inteiro pra gente pagar

Cinquenta gramas de amor

Veja lá, é um bocadinho

Vinte gramas até

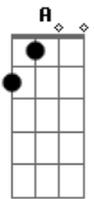

Venha cá, é tão pouquinho

Eu vou morrer se você

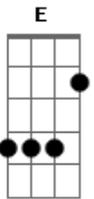

Não quiser

Me arrancar um pecadinho
