

Tombstone Three - Symmetry of the Cemetery

tom:

Intro: **Am** **Dm**

Am
Right about now the midday Sun is beating down on me

Out there, there ain't a cloud in the southern sky
Dm **G** **C** **F**
Here in my heart it's as cold as any wintry sea
Am **E**
She said: How long is eternity
A **Em** **A**
I said? As long as time may be
Am
In the white white light there's a big black bird

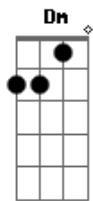

He's staring down at me

Out there for me there ain't no hope in hell
Dm **C** **G**
Here in my heart it's as dark a should be
C **E**
She said: How long is eternity
Am

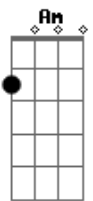

I said: Long enough for you and me
Dm **G** **C** **F**
Here in my heart it's as hard as any stone can be
Am **E** **Am**
The only that can bring her back is the symmetry of the cemetery
(Dm Bb Am)
(Dm Em Am)
(Dm Bb Am)
(Dm E Am)

Dm **G** **C** **F**
Here in my heart it's as cold as any wintry sea
Am **E**
She said: How long is eternity
Am
I said: As long as time may be
Dm **G** **C** **F**
Here in my heart it's as hard as any stone can be
Am **E** **Am**
The only that can bring her back is the symmetry of the cemetery
