

# Toni Braxton - Yesterday

Tom: F

<sup>Dm</sup>  
I gave you the benefit of the doubt <sup>Bb</sup>  
'Til you showed me what you were about <sup>F</sup>  
Your true colors came out <sup>C</sup>

<sup>Dm</sup>  
And your words couldn't hide the sin <sup>Bb</sup>  
'Cause the truth about where you been <sup>F</sup>  
Is in a fragrance I can't recognize <sup>C</sup>

<sup>Dm</sup>  
Just standing there, scratching your head <sup>Bb</sup>  
Bloodshot eyes, drunk with regret <sup>F</sup>  
Hanging yourself ten feet over the edge <sup>C</sup>

<sup>Dm</sup>  
I'm done with this, feeling like an idiot <sup>Bb</sup>  
Loving you, I'm over it <sup>F</sup>  
I just don't love you, don't love you no more <sup>C</sup>

<sup>Dm</sup>  
You, you are so yesterday <sup>Bb</sup>  
Never thought you'd lose my love this way <sup>F</sup>  
Now you come begging me to stay <sup>C</sup>

<sup>Dm</sup>  
See you, you are so yesterday <sup>Bb</sup>  
I won't let you rain on my parade <sup>F</sup>  
I don't wanna hear a thing you say <sup>C</sup>  
You're so yesterday <sup>Dm</sup>

<sup>Bb</sup>  
And now you wanna reminisce <sup>F</sup>  
Say you wanna try again <sup>Bb</sup>  
It started with a little kiss <sup>F</sup>  
But we can't even be friends <sup>C</sup>

<sup>Dm</sup>  
No, no, now I never wanna see you <sup>Bb</sup>  
Never wanna feel you, never wanna hear you <sup>F</sup>  
I don't love you, don't need you <sup>C</sup>  
Can't stand you no more <sup>Dm</sup>

<sup>Bb</sup>  
You, you are so yesterday <sup>F</sup>  
Never thought you'd lose my love this way <sup>C</sup>  
Now you come begging me to stay

<sup>Dm</sup>  
See you, you are so yesterday <sup>Bb</sup>  
I won't let you rain on my parade <sup>F</sup>  
I don't wanna hear a thing you say <sup>C</sup>  
You're so yesterday <sup>Dm</sup>
