

Tonic - If You Could Only See

tom:
Db (forma dos acordes no tom de **C**)
 Capostraste na 1ª casa

If you could only see the way she loves me
 Then maybe you would understand, why I feel this way
 About our love, and what I must do
 If you could only see how blue her eyes can be
 When she says, when she says she loves me

Ga5 G G G. F D (no C)
 Well you got your reasons, and you've got your lies
 Ga5 G G G F D (no C)
 And you got your manipulations, they cut me down to size

Sayin' you love but you don't
 You give your heart but you won't

If you could only see the way she loves me
 Then maybe you would understand, why I feel this way
 About our love, and what I must do
 If you could only see how blue her eyes can be
 When she says, when she says she loves me

G G G G F D
 Seems the road less traveled, shows happiness unraveled
 G G G G F
 And you got to take a little dirt to keep what you love
 That's what you gotta do

Sayin' you love but you don't, You give me your love
 But you won't, You're stretching out your arms to something
 That's just not there
 Sayin' you love where you stand
 Give your heart when you can

If you could only see the way she loves me
 Then maybe you would understand, why I feel this way
 About our love, and what I must do
 If you could only see how blue her eyes can be
 When she says, when she says she loves me

Solo: E F G Am 4x

Sayin' you love but you don't
 You give your love but you won't
 Sayin' you love where you stand
 Give your heart when you can

If you could only see the way she loves me
 Then maybe you would understand, why I feel this way
 About our love, and what I must do
 If you could only see how blue her eyes can be
 When she says, when she says she loves me
