

Tony Ferrari - You've Got a Hold On Me

Tom: Eb

Well, you've got a hold on me Eb
 It's something like glue Bb
 And now every word you speak Cm
 I swear that it's my only truth Ab
 And you've got a hold on me Eb
 I could scream it to the skies Bb
 And i'm hiding away Cm
 Seeing you won't see
 That I shake whenever you come by Ab
 There must be something in the way Eb
 That you love me Bb
 That makes me feel Cm
 Like come at home Ab
 And I could be up in a plane Eb
 Going all around the world Bb
 See a million faces, talk to every pretty girl Cm Ab
 But they could never see the way Eb
 You fill up every space in my heart Bb Cm Ab
 Yeah, you've got a hold on me Eb
 (Eb Bb Cm Ab)
 Yeah, you've got a hold on me Eb
 I hope I've got one on you Bb
 And this world may not be easy Cm
 But with love we'll always make it through Ab
 And you've got a hold on me Eb
 That can make a grown man weak Bb
 And shaking his knees, causing nausea Cm
 The reason for that singing sings Ab
 There must be something in the way Eb
 That you love me Bb
 That makes me feel Cm
 Like come at home Ab
 And I could be up in a plane Eb
 Going all around the world Bb
 See a million faces, talk to every pretty girl Cm Ab
 But they could never see the way Eb
 You fill up every space Cm Ab Cm Ab
 In my heart, my heart Eb Bb
 Yeah, you've got a hold on me
 Yeah, you've got a hold on me Cm Ab
 Yeah, you've got a hold on me Eb Bb
 Yeah, you've got a hold on me Cm Ab
 Yeah, you've got a hold on me Eb Bb Eb
