Intro: A  Dbm  A7  D

A                            Dbm
You packed in the morning, I stared out the window
      A7                     D
And I struggled for something to say
D                       A
You left in the rain without closing the door
Bm                E
I didn't stand in your way

     A                      Dbm
Now I miss you more than I missed you before
     A7                     D
And now where I'll find comfort god knows
D        A       E
'cause you left me just when I needed

You most
